**Subject: Team One Network Training Host Packet
Calendar Year 2011**

This hosting packet is sent for your consideration to be an **Official Team One Network Host Training Site** for the 2011 Training Schedule.

The host packet includes three parts, beginning with this cover letter. The middle section includes a summary of our classes with hours and cost. The final section includes individual agency information that you will need to complete. If you choose to become a host to any of our programs you will receive course and logistical requirements by a separate cover.

Becoming an Official Host Training Site requires your agency to provide the training site with necessary logistics for the training programs that you have requested at your department site and/or training area.

You are also expected to actively market your program to other agencies in your area via fax, email, flyers, or other resources. We will handle all registration and accounting paperwork. In return, you will receive one (1) free slot for less than 16 students (2) free slots equal and above 16 students, for each course conducted at your facility.

After reviewing this material, please complete the Host Questionnaire Packet and fax it to me at 540.434.7796

We appreciate your interest in Team One Network. Please check our website at www.teamonenetwork.com or you may call me directly at 423-322-9935 or e-mail me directly info@teamonenetwork.com.
