

High Risk Raids and Search Warrant Operations

This challenging course concentrates on the execution of high-risk raids and search warrants, both in the counter-narcotics arena, or a possible terrorist scenario. Hands-on exercises will hone operational skills and weapons handling, as well as teach officers how to think “outside the box” when planning and executing these potentially deadly operations.

Topics covered:

- Firearms handling and deployment
- Threat analysis and risk assessment
- Tactical intelligence gathering in an operational environment
- Operational planning and coordination
- Approaching the target area without alerting the subjects
- Covert, stealth, dynamic, and forced entry tactics and procedures
- Use of distraction devices during room clearing
- Live fire exercises

Duration: 5 Days

Tuition: \$750.00

Ammunition: 400 Rounds Pistol, 400 Rounds Rifle or Submachine Gun

Equipment Required: Wrap around eye protection, ear protection, brimmed hat, pistol with three magazines and holster, duty belt, full tactical gear including body armor, gas mask, flashlight, submachine gun with two magazines and rifle with two magazines.
