

Russian Firearms Familiarization

At the end of this intensive three day course, students will receive a certification equivalent to the Armed Forces Russian Weapons Familiarization Course certificate. Through a mix of classroom work and range time, students will fire a range of Russian weapons including the Makarov PM, the AK-47 and AK-74, the AK-100 series, and the RPD light machine gun. Other weapons that will be examined, handled, and disassembled include the PK and PKM heavy machine guns (equivalent to the US M60), and the RPG-7, with both electro-optical and iron sights.

Topics covered:

- Nomenclature and ballistics
- Tactical assembly and disassembly procedures
- Firing characteristics
- Sighting
- Live fire familiarization

Duration: 3 Days

Tuition: \$595.00
