

Tactical Commanders Course

This course will separate tactical myth from tactical reality. It has been designed for Team Commanders and law enforcement supervisors who want to experience concentrated, in-depth immersion in all aspects of tactical team leadership from member selection to training and retention, Policy and SOP development, command structure and philosophy, and the latest use-of-force doctrines. Topics that will be covered are:

- Assuming Command responsibilities
- Command, Control and Planning
- Developing Team Policy and SOPs
- Rapid intervention to "active shooter" situations
- Rescue team concept
- Suicide by SWAT
- SWAT options on WMD/terrorism situations
- Conducting safe and realistic training
- Civil liability in tactical and training situations
- Less lethal munitions case law
- Tactical situations case study scenarios
- Table top exercises
